

# Christmas Mini Sessions

\$170 per session | \$40 per extra child | 20 minute session  
5 edited hi-res images available via online download selected from an online gallery

SATURDAY the 17th of OCTOBER 2020  
SATURDAY the 7th of NOVEMBER 2020  
SATURDAY the 28th of NOVEMBER 2020

MONDAY the 19th of OCTOBER 2020  
MONDAY the 9th of NOVEMBER 2020  
MONDAY the 30th of NOVEMBER 2020

## The session

The mini sessions may seem short, but rest assured I have loads of experience photographing little ones in such a short time span. I have many tricks up my sleeve to help win your little ones smiles. Children, especially young babies only have a short attention span when it comes to these things and don't usually last longer than the 20 minutes without being overwhelmed anyhow. Because sessions will be booked back to back it is important that you aim to be 5 minutes early to your session to allow for wiping faces and any changes required. If you are late to your session it will cut into your session time.

## Siblings

The session cost is \$170 for one child. If you would like to add a sibling or cousin it will cost you and \$40 per extra child. I would like to limit the sessions to 3 children due to space. Sibling shots will be attempted first, if it is not happening we will photograph children individually and if there is time at the end of the session we will try again. I don't have an age limit on the sessions, newborns welcome but this is not treated as a classic newborn session, babies not great at tummy time will likely be wrapped. Every year I am asked about family's, this year I will be running family mini sessions outdoors either Christmas style or plain. More information on those to come.

## Deposit / payment

A deposit of \$85 is required in order to book your shoot. Your shoot is not considered booked unless this is paid. When you request a time slot you will have **48 hours** to complete the payment or the slot will be offered to the public again. Time slots **WILL NOT BE HELD** so please confirm that the time you are after is still available when you pay the deposit. Deposits must be made via direct deposit. Once you request a time slot I will send out an invoice PDF with deposit details. Please let me know once this is completed so that I can secure your session. Deposits are NON refundable in the event that you cancel or don't arrive on time. Please note that if you are late, that cuts into your shooting time. If Lineham Photography needs to cancel due to illness then it will be rescheduled, if that isn't possible a refund will be issued.

The remaining funds are due no later than 5 days prior to the shoot VIA direct deposit into the same account. You can also walk into any branch and put a cash deposit into the the account. The last few years I have had to turn many away due to being fully booked, this is not a drill. If you would like a session please don't leave it to the last minute :)

## SICKNESS

My main job in the photography world is to photograph newborn's. This means if I get sick, I cannot work until I am better. The studio is thoroughly disinfected every day after shooting. **If your child has or has had gastro symptoms, hand foot and mouth or any of those nasty viruses PLEASE contact me to discuss the situation.** Most of these cases last year we were able to shoot on an 'emergencies' day at a later date. **If you will have recently returned from overseas or interstate PLEASE TELL ME!**

## CLOTHING

This years set works beautifully with red and navy, possibly green. The edits on these will be rich and warm and I don't think plain whites will work well. Your best off sticking to bold colours. If your not sure just let me know and I'll see what I can do to help. PLEASE avoid busy patterns and huge logo's - the simpler the better! I feel like this set calls for more of a formal wear approach but that is completely up to you - just as suggestion.

## WHAT TO BRING

- Dummy (If baby takes one)
- Extra Bottle (If bottle fed)
- Snacks (Great bribery tools for after the shoot, but please do not feed your child during the shoot)
- Hair brush
- Drink bottle for your child
- Face Wipes

## BEST RESULTS

Please keep in mind results vary depending on how co-operative child is. Please ensure that your child has eaten before the shoot as hungry children find it hard to focus and can get quite grumpy (Just like us!) Which can affect the results of the photos. If possible try to get your child to nap before hand as this can also help keep them happier longer. I do prefer they don't eat during the shoot as it can make them pull odd faces.

## YOU WILL RECEIVE

A link to an online gallery will be sent to you along with a password for you to choose your final images from the edited selection provided. There are 5 images included in the package. Any extra's chosen are \$20 each, a price for the entire gallery based on how big your gallery is will be also quoted should you wish to take them all. The gallery is active for one week. Once you have made your selection I will give download access to those images at high res, ready for you to print, share and love! I highly recommend backing images up on to separate hardware though.

## WHERE TO GO

I have a studio on the side of my home in Carey Park. Further details will be given when your deposit is recieved.

Thank you for taking the time to read through my information. I apologise for the huge amount of detail, I prefer for people to get to know how I do things since our sessions are short. If you are interested in booking please flick me a PM through my facebook page!
